For sale: Up to 4 x used Cartoni C 20S tripod systems for sale

#### **Technical Description:**

The C20S is designed to provide a particularly stable support for EFP configurations, ready to operate with a wide range of cameras weighing from 7 to 35 kg (15 to 77 lbs)

C20S features three award winning fluid damping modules assuring outstanding drag levels and extraordinary smoothness in both pan and tilt modes.

Movements can be selected with 7 precisely repeatable steps of drag, while free wheeling is available by simply setting the drag selector ring into position "0".

Counterbalance is activated by an easy grip selector in 7 progressive steps and "0" free wheeling.

The C20S comes with a 100 mm bowl base, illuminated spirit level and one telescopic pan bar.

#### **Compatibility:**

Interfaces with all 100 mm bowl base tripods.

AH869 adapter for Cartoni P20

AH863 adapter for Cartoni Pedestal P40 P70+, P70 Steering

AT854 converter for 150mm tripods
