Used Musikelectronic Geithain RL903K

Active Studio Monitor Pair

Used Geithain RL903K Active Studio Monitor Pair

Equipment details:

The Geithain RL903K is a professional active 3-way reference monitor designed for critical listening environments such as broadcast control rooms, recording studios and post-production facilities. Its coaxial driver design and cardioid bass technology provide accurate imaging, controlled low-frequency dispersion and reliable monitoring performance in demanding professional applications.

Key Facts:

Manufacturer: musikelectronic geithain GmbH, Germany

Model: RL903K / Regielautsprecher RL903K

Category: Active 3-way reference monitor / main control room monitor

Application: Broadcast control rooms, recording studios, film/video production, professional audio monitoring
