

FOR SALE

**Used Panasonic PT-RQ13 4K Plus Projector with Panasonic
ET-D3LEW50 Lens**

Projector facts:

- Professional 3-Chip DLP laser projector designed for large venues and installations.
- 4K+ image performance with advanced pixel-shift Quad Pixel Drive technology.
- Class-leading brightness: approx. 10,000 lumens from a solid-state laser light source.
- Wide installation flexibility: 360° orientation, lens shift and geometric correction for complex projection setups.
- High contrast performance for vibrant imagery (dynamic contrast up to ~20,000:1).
- Designed for professional use: events, auditoriums, shows, control rooms and multi-screen projection.

Lens facts:

Ultra-wide fixed projection lens

**Enables short-throw projection from close distances (wide image)
Specifically matched to 3-Chip Panasonic projectors**

**Built in 2018
In great condition**
